Farm Agent — G. L. James

The 4-H Clubs of Appomattox celebrated National 4-H Club week in a program at the Carver-Price High School. The meeting was presided over by 4-H officers and leaders, as follows: William Forbes, President (serving second elected term); Secretary, Celestine Chambers; Asst. Secretary, Maggie Ferguson, and Senior 4-H Leader, Mrs. T. M. Harris. Recognition and honorary mention was given by the Farm Agent to all the 4-H members, with successful projects for the club work year.

Special Awards were as follows: Herbert Williams, State Winner, wrist watch, deelgate to State 4-H Short Course, SCS Medal.

William Forbes, Certificate of Merit for Leadership; Medal for Meat Animal Production; Delegate to State Short Course.

Otis Walker, Market Type Production Medal, County Winner, Delegate - Short Course.

James Ferguson, Tractor Maintenance award; Medal, Delegate - Short Course.

Duroc Purebred Pig Chain; Placement winners one to five, Herbert Williams, Otis Walker, William Forbes, Hershel Forbes, Nugene Harvey.

The Adult 4-H Leaders who received 10 year Service Pins and certificates were: Mrs. O. W. Smith and Mrs. T. W. Hamlet.

The above mentioned awards are in addition to the awards, ribbons and cash earned by 4-H members participating in events as: Five-County Fair, Tractor Driving Contest, local and state and county winners, and Hog Show and Sale Program.

A special event on the program was testimonials given by two parents of outstanding 4-H members. Mrs. Mary L. Forbes, mother of William Forbes Jr., who talked on how the 4-H Club had helped her children find interests, and she was especially proud of William, as he was chosen a Regional Delegate to represent Virginia 4-H Clubs at Frankfort, Kentucky. Mr. Charlie Williams was the second parent who praised the 4-H Club and his boy, Herbert Williams, as having made some fair profits from his projects he has carried for 6 years.

It would be next to impossible to place a monetary value on the winnings and prizes of these young folks, who have received awards, as their are many other 4-H members whose projects have shown a profit. Those of us who are associated with 4-H work, and activities are mainly interested in the profit side of the ledger, whether, the profits be in manner of Economic, Social or Spiritual.

Subscription rate: $2.00 a year, payable in advance.

RESOLUTION

Whereas on February 11, 1956, God in His infinite wisdom called from our midst to her enternal home our friend and co-worker, Mrs. Adelia C. Ferguson; and

Whereas she had been a faithful and loyal member of this Church for a long number of years, and had served untiringly as a steward, giving of her time, her influence and her means for the advancement of the Kingdom; and

Whereas her death has deprived the Church of a trusted leader, and left a vacancy which will be keenly felt by those who knew her and worked with her;

THERFORE, BE IT RESOLVED, First: That we, the members of the Official Board of Appomattox Memorial Church record our sincere appreciation for the privilege of working with her, and pay this our tribute of respect to her memory.

Second: That we extend to the bereaved family our deepest sympathy and commend them to the sustaining power of Him, who is the source of all comfort and help.

Third: That a copy of these resolutions be sent to the family, a copy published in the Times-Virginian, and a copy spread upon the minutes of this Board.

Winfree Will Be Woman's Club Speaker

P. B. Winfree, Jr., managing editor of The News and The Advance, Lynchburg, will be the guest speaker at a meeting of the Woman's Club of Appomattox Monday, April 9, at 3 o'clock. Mr. Winfree will be introduced by Mayor Richard Robinson.

The meeting will be held at the McLean House, this being the anniversary of the signing of peace terms there in 1865. The program is being sponsored by the Department of Public Affairs of the club.

Hostesses for the afternoon will be Mrs. Ryland M. Mann, Mrs. E. Carroll Smith, Mrs. Joel W. Flood, and Mrs. H. E. Kerr.

NEWS FROM LOCAL TEEN-AGE CENTER

The new Teen-Age Center is coming right along. The young people under adult supervision almost have the building ready for a grand opening.

The Center is still in need of tables and chairs. The group also needs a piano. Anyone wishing to contribute to this project of a Teen-Age Center for the county can give or send the contribution to the following: Alton Smith, 2092; Ann Abbitt, 3511; Madelyn Gulli, 2791; or Mrs. H. W. Runkle, 2551.

The group will call and pick up and will repair and paint any of the needed articles.

PRIVATE FERGUSON AT FORT JACKSON

Fort Jackson, S. C.- Private Samuel L. Ferguson, son of Mr. and Mrs. John R. Ferguson, Appomattox, Va., has been assigned to Headquarters Company, 3rd Battalion, 1st Training Regiment, for basic infantry training.

He will spend this eight-week period learing the fundamentals of being a soldier. This includes classroom lectures in such subjects as military courtesy, first aid, and combat field problems involving the use of the M-1 rifle, which he will learn to fire on various ranges.

Basic Infantry training is required of each new man coming into the Army. Fort Jackson is one of the Army's largest training installations. Primarily an infantry training post, the Fort offers schooling in specialties associated with an infantry division, as well as in combat tactics.

County Gets $253,557 for Secondary Roads

Allocations totaling $33,772,638 for Virginia's 40,905-mile system of secondary roads were announced today by the State Highway Commission for the fiscal year beginning July 1.

The allocations include $253,557 for Appomattox County, made up of $177,741 in regular state funds, $26,480 in equalization state funds; $49,336 in Federal aid and state matching funds.

Total funds anticipated for distribution to maintain and improve the secondary (farm-to-market) roads in 96 of the 98 counties exceed last year's allocations by $581,553. Included are $27,104,641 in regular state funds, $3,156,112 in Federal-aid, an equal amount in state matching money, $201,773 for extraordinary storm damage deficits and a rotating bridge fund of $150,000.

The bridge fund, which was made available last year for the first time to be used to build needed bridges which could not be financed by regular county road money, will go to the Salem highway district. In coming years the money will be rotated among the other six districts in the following order: Lynchburg, Richmond, Suffolk, Fredericksburg, Culpeper and Staunton.

Also included in the regular state money for the third year is a $2,000,000 equalization fund provided by the Highway Commission for distribution to counties on the basis of non-hard surfaced secondary road mileage.

The sum allocated for extraordinary storm damage was set aside out of regular secondary funds to reimburse counties that suffered extensive road damage during last fall's hurricanes.

By districts, the total secondary allocations include: Britol, $4,936,844; Salem, $4,789,998; Lynchburg, $4326,459; Richmond, $4,066,258; Suffolk, $4,107,187; Fredericksburg, $2,603,982; Culpeper, $4,767,867; and Staunton, $3,820,270.

The bulk of the state money is distributed to the 96 counties in the secondary system by a formula that includes population, secondary mileage, rural area and vehicle miles of travel. Three factors — area, population and road mileage — govern distribution of secondary Federal-aid money. Arlington and Henrico Counties are not included in the allocations because they maintain their own secondary roads and receive their money on a different formula.

Allocations are based on anticipated revenue during the fiscal year, highway engineers pointed out, and money can be spent only as it becomes available. Approval by the board of supervisors is obtained before a county's secondary highway budget is made final.

Tentative alocations totaling $43-855,741 in consaruction funds for the state's 8,500-mile network of rural primary highways and urban extensions were announced last week.

New Deputies And Justice Of The Peace

Sheriff David T. Robertson announced this week that he has appointed two part time deputies to assist in extra police duties in the county. They are: Walter Phelps, at Oakville, who will act as jail guard in the absence of the jailer, and Thomas G. Catlett at Pamplin, who will serve papers, both criminal and civil, and other general law enforcement work in the Pamplin area.

Mrs. Walter Phelps was also appointed Justice of the Peace, for Stonewall District, and will act as Justice of the Peace in the absence of Mrs. Walter Conner from the jail, and Mrs. Vaida L. Catlett, wife of the new Pamplin deputy, will be Justice of the Peace for the Pamplin area, Clover Hill District.

Sheriff Robertson states that Mr. and Mrs. Catlett were appointed especially to help the people of the Pamplin area and on request of the Town Council of Pamplin.

The sheriff states that there will be no allowance for any salary for these appointees from the county treasurer, but the Justices will be paid on a fee basis at no cost to the county, and the new deputies will receive pay according to what they do and the cases they work on, such to be approved by the sheriff and the county board of supervisors at the end of each month and the state will pay two-thirds of this amount. The fees collected by the new deputies will offset the balance of the one-third to be paid by the county.

Final Plans Laid for Band Day Frolics

The Appomattox County Band Committee met Monday night to make final plans for the "Band Day Circus Frolic" which will be an all-day event on Saturday, April 21. An all-out effort is being made by the band membe... patrons, schools and P.-T. A. groups to raise funds to complete this year's commitment on the purchase of several instruments for the band and doing over a number of instruments that were purchased from "Government Surplus."

Chairman of the following committees were appointed and given the "Go Sign" to start work immediately on the project:

Publicity: Mrs. Frank Carr, Mrs. Grace Taylor, Mrs. J. B. Whitehead, Mrs. H. C. Pulliam.

Food: Mrs. Pearl Mitchell, Mr. and Mrs. Buddy Herneall.

Activities for the evening program at the elementary school: Mrs. George Abbitt Jr., Mrs. Henry Barger, Dr. Carl A. Collins Jr., Mrs. Wesley Martin, Mrs. DeWitt Evans, Mrs. H. E. Kerr, Mrs. H. A. Gurney, Mrs. S. S. Shouse, Mrs. C. V. Leffers, Mrs. T. M. Trent, Mrs. Wm. W. Burke, Miss Flora B. Williams, Mrs. Leonard Anderson, Mrs. Ned LeGrand, Mrs. W. S. Gills.

At 4 o'clock a parade will be staged, featuring the Appomattox Band, with schools throughout the county participating. Civic clubs, merchants and business concerns will enter "Band Booster" floats or something with the circus theme predominating. The National Guard Unit of Appomattox will march, also units from the Marine, Army and Navy Recruiting Posts, Lynchburg. The Charlotte County Band and the Buckingham Band will also march in the parade. Clowns, animals and costumed individuals will be featured.

The main event will be held at the elementary school from 5 o'clock to 10 P. M., with shows going on throughout the school. A circus ring act will be staged, with Jerry Miller acting as ring-master. The acts will be put on by grade and high school children. Food will be sold during the program by the "Bluebeard" contestants will be featured in the program, with "seven wives" taking part. The grand finale will be the crowning of the band queen.

BAND CONCERT HERE FOR MEMORIAL FUND

The Southern Individuals, from Petersburg, under the direction of R. E. Deckerhoff, will give a band concert at the A. H. S. auditorium on Saturday night, April 14. The program will begin at 7:30.

Proceeds from the concert will go to the Christian Memorial Building Fund. C. T. Moses, Jr., of the Fund Committee, today expressed the belief that this attraction would draw a large audience here, and he asks everyone possible to attend.

Announce A Livestock Management Demonstration

A Livestock Management Demonstration will be held Friday, April 13, at 1:30 P. M., on the farm of Henry Barger and C. K. Hunter.

The demonstration will include dehorning, casturation, worm, bloat, lice, fly and grub control.

Farmers having livestock on their farms are invited to attend.

Blue Hornets Win Opening Game 16-4

The Appomattox Blue Hornets opened their 1956 baseball season with a 16 to 4 win over Madison Heights, in a game played at Madison Heights. This was a District 4, Group 2 league game for both of the schools. The Blue Hornets showed power at the plate, getting 15 base hits. They also showed a very good defensive team, in that only one error was committed.

Raymond Ferguson, a freshman, went the distance on the mound for the A. H. S. Blue Hornets, and he scattered 8 Madison Heights hits. He struck out 5. The hitting was done by the following A. H. S. boys: Dan Coleman with 2 doubles, Bradley Babcock with two doubles and a single, C. D. O'Brien with two doubles, Terrell Martin with two home runs and a single, Raymond Ferguson with two singles, Garland Doss a single, and Tommie O'Brien a single.

The Blue Hornets will play Amherst High School here on Tuesday at 1:00 P. M.

Conservation Prosram Offers Increased Rate in Seeding

The Federal cost-share rate for seeding new permanent pastures has been increased to 80 per cent of the estimated average cost, according to W. D. Hix, III, chairman of the Appomattox County ASC Committee.

Under the 1956 Agricultural Conservation Program, farmers can receive up to approximately 80 per cent of the average cost of land preparation, fertilizer, lime and seed in conection with the seeding of new pastures. This is an increase of 10 per cent over the original 50 per cent cost share as set at the beginning of the year.

Mr. Hix urges all farmers who have land needing to be seeded to permanent pasture to contact the ASC office and get the details on this conservation practice.

LEGION AUXILIARY TO MEET

The American Legion Auxiliary, Unit 194, will meet at 8:00 P. M. Monday, in the Legion Hall. Mrs. J. N. Mansha, of Alexandria, State Rehabilitation chairman, will speak. All members and interested visitors are urged to attend.

Ass't. Agent Transfers To Amherst Post

Bailey G. Wilkins, assistant county agent for Appomattox County, has been named to the position of county agent for Amherst County. He will assume his duties in Amherst on May 1, it was announced today by E. W. Carson, District Agent, Virginia Extension Division.

Mr. Wilkins came to Appomattox in January, 1955, from Halifax County. He has supervised the work of 4-H Clubs here and in Amherst and Prince Edward, and served in the activities of the Extension Division in the county.

He will succeed O. B. Ross at Amherst. Mr. Ross has been Amherst county agent since 1919, a record for length of service. He is retiring at the end of this month.

Garden Club To Present Mrs. Alexander

On Friday night, April 6, the Appomattox Garden Club is sponsoring a program which will be one of the highlights of the club year, when it will present Mrs. E. L. Alexander, of Newport News, in a Flower Arrangement Lecture - Demonstration in the Appomattox Elementary School auditorium at 8:00 o'clock. Tickets are now on sale by all the Garden Club members, or they may be purchased at the door.

Mrs. Alexander will make flower arrangements for many occasions, and her program will be of interest to all persons interested in flowers. It is hoped that many people will avail themselves of this opportunity to hear such a charming and outstanding speaker in this field.

VepcoDedicates New Roanoke Rapids Plant

Roanoke Rapids, N. C., April 3.- The $32,000,000 hydro electric development built by Virginia Electric and Power Company will be dedicated here tomorrow. Governor Luther H. Hodges (N. C.) will make the formal address.

The project puts 100,000 more kilowatts of electricity into Vepco's high voltage transmission system and is being used primarily for meeting the peak loads of the system in conjunction with the energy generated by the major steam stations of the system.

Erwin H. Will, Vepco president, said the new project, constructed at a cost of $32,000,000, is a tangible sign of the company's determination to keep ahead of the growth of the area, for which he predicted a bright future. Will noted a number of reasons for his prediction—a temperate climate, fine recreational facilities, good native labor and ample electric power.

The Roanoke Rapids development includes a lake covering 4,900 acres; a dam 3,050 feet long; a power station with four 35,000 horsepower turbines and a tailrace one and one half miles long, 45 feet deep and 80 feet wide that was blasted from solid rock.
